The true mark of a good teacher is his ability to make students think. For all of his years here, Mr. Squires has instilled in his students a desire to learn that has invariably proved helpful to them in all that they do. Such ability, and such selfless, dedicated service to the cause of learning, have earned for Mr. Squires an enviable position in the minds and hearts of those who know him. In sincere appreciation, we dedicate this, the 1965 Raps and Taps, to Mr. George Ocran Squires.

STUDENT COUNCIL

The Student Council, one of the most important organizations at St. Christopher's, serves chiefly to promote better student-teacher relationships and to develop leadership. The Council assists the faculty in holding study halls and in maintaining order in the school buildings. Other duties include sponsoring dances and assisting at school functions. This year, Frank Easterly and Brad Davenport served as chairman and secretary respectively.

HONOR COUNCIL

The highest honor that can come to a St. Christopher's student is election to the Honor Council. The main function of the Council is one of prevention and guidance, rather than punishment. The Seventh Form is allotted three representatives, while every other form has at least one. This year, Frank Easterly and Brad Davenport were elected as chairman and secretary respectively. Mr. Brinser and Chaplain Moore served as faculty advisors.

Owen, Smith, Palmore, Buckle, Grymes, Turnbull, Cherry.

MISSIONARY SOCIETY

SEATED: Easterly, Himmelwright, Freuler, Davenport, Owen, Cabell.
STANDING: Bedell, Cherry, Tucker, Purcell, Meade, Harris, Brydon, Blanton.

Every boy in the school is a member of the Missionary Society. Its directors are elected from the sixth and seventh forms by the student body. Contributions to the Society this year were received from offerings collected at some of the school services held at St. Stephen's, from the proceeds of a production given by the Dramatics Club, from donations in connection with performances by the school choir, and from a fund drive in which each student and faculty member was asked to make a small contribution. The directors and the faculty advisor, Mr. Beckwith, proportioned these contributions to give financial assistance to needy organizations including the Grace House, the Crippled Children's Hospital, Camp Merriewood Harrison, and the Red Cross. In addition to financial aid, the directors sponsored a canned goods drive for Sheltering Arms Hospital, a clothing drive for school children in Richmond's east end, and sent weekly volunteers to the Grace House. The directors also assisted Chaplain Moore by holding chapel services each Tuesday.

Here the Missionary Directors meet with the adviser, Mr. Beckwith to discuss the plans and problems of the society.

This year the literary societies have given themselves a thorough re-evaluation. At the beginning of the year there was a meeting which was open to general discussion of the purposes of the literary societies. The direct result of that meeting was another meeting in February which consisted of a lively debate on the school's dress regulations. We are sure that this type of meeting will lead the way toward more interesting meetings in the future with more active student participation.

DRAMATICS CLUB

Under the capable guidance of Mr. Joseph Knox, the St. Kit's Players has increased in membership and in presentations yearly. This year, Mr. Knox became the head of the St. Catherine's Dramatics Department and was, therefore, better able to coordinate the two schools in this field.

The first production of the year was L'APOLLON DE BELLAC by Jean Girandoux. The play concerned the visit of a bizarre "Apollo" who advises a shy girl, applying for a job, that the secret to success is to compliment one on his beauty. The girl takes this advice and receives a marriage proposal from the president of the company. The Apollo was played by Henry Burke, the girl, Agnes by Elizabeth Peple, and the president by Louis Jeffries. Supporting roles were taken by O. D. Smith, David Perry, Louis Ryan, and Billy Cabell.

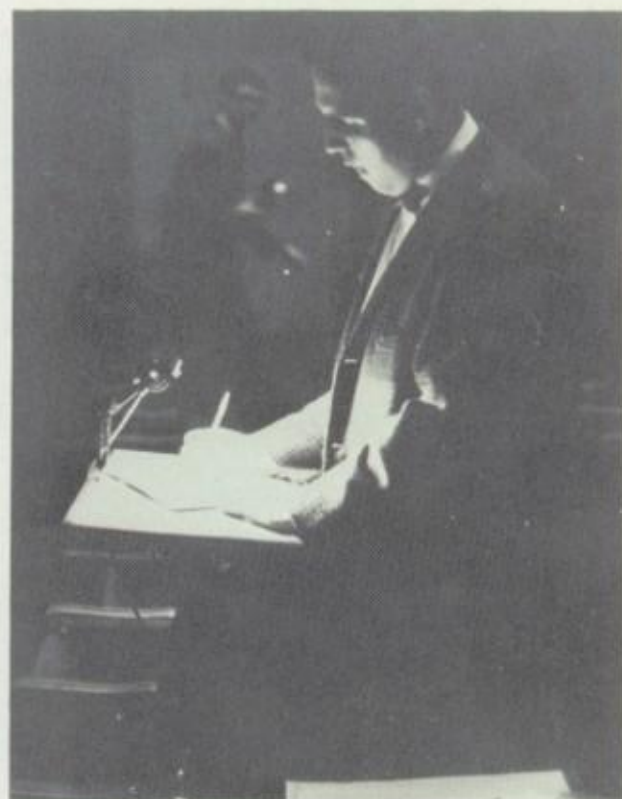

On Dec. 11, the St. Kit's Players presented two one-act plays, Eugene O'Neill's IN THE ZONE and Anton Chekhov's THE BRUTE. IN THE ZONE, directed by Ken Williams (president of the Dramatics Club) concerns the discovery of a man's secret love letters by his comrades aboard a ship in World War I. The cast included John Leys, Harry Lee Arnest, O. D. Smith, David Perry, Austin Chinn, and Ken Williams. THE BRUTE (one of the most delightful comedies ever presented at St. Christopher's) concerned a creditor who falls in love with a widow following numerous attempts to obtain the debt of her late husband. The creditor was played by Garrett Epps, the widow by Mary Louise McCullough, and the servant by Frank Johns.

On March 5 and 6, McVey Auditorium was the scene for the annual spring play. This year's production was THE DEVIL'S DISCIPLE by George Bernard Shaw. The play set in revolutionary times, concerns an infamous gentleman by the name of Richard Dudgeon who assumes the identity of a respected minister, Anthony Anderson, who has been sentenced to die. In this play, the year's best male and female performances were found in Ken Williams as Richard Dudgeon and Lynn Rice as Judith Anderson, the minister's wife. Other major parts were taken by Bill Parkinson, Henry Burke, and John Leys.

A scene from IN THE ZONE.

Mr. Knox takes notes during a dress rehearsal for THE DEVIL'S DISCIPLE.

On April 24, the Sunday Night Religious Boarder's Group (SNR-BDG) presented their first annual play, **SHADOW AND SUBSTANCE**, an Irish play concerning the legend of St. Bridgit. John Leys led the cast as the cannon; Florance VanMetor, Harry Lee Arnest, O. D. Smith, and Henry Alley had important supporting roles.

This most successful year for the St. Kit's Players was concluded by the presentation of the first annual spring musical on May 15. The play, **SALAD DAYS** by Julian Slade, which enjoyed a record-breaking run in London, concerns a youth seeking employment upon graduation from college.

The St. Kit's Players has accomplished more this year in promoting learning, enthusiasm, and a closer relationship with St. Catherine's than ever before. Congratulations on a most successful year.

MALCOLM WELLINGTON BATES

Since Mac entered the school six years ago, everything he has done has been done wholeheartedly. He was a member of the Varsity Soccer Team this year and has participated in several plays for the Dramatics Club. He has also contributed his First Bass singing voice to the Glee Club. In the literary field this year he served as Advertising Manager of the PINE NEEDLE and as a member of the RAPS AND TAPS Business Staff. Away from school Mac can often be found trying his hand at pool or hunting.

JAMES DULANEY BLACKWELL, JR.

Jimmy was one of the few thirteen year men in the Senior Class. He has participated in Junior Varsity Tennis and in Varsity Soccer. In the publications field he has served on the Business Staffs of the PINE NEEDLE and RAPS AND TAPS. He was a member of the Dramatics Club and sang First Bass in the Glee Club. Away from school Jimmy spends his free time with the "gang", playing golf or tennis, water skiing, or being the life of a party.

CHARLES ARMISTEAD BLANTON, III

With his never ending supply of appropriate funnies, Bazoomy, the Back-of-the-Week, has long been one of the school's most popular boys. Well known for his unique blue "car", Charlie, "that awesome young man," has been a standout fullback for the Saints for several years, even though troubled with injuries. He was famous for his continual failure to follow the winter dress regulations, his slowness in the locker room, and his ability to withstand the coldest weather with the least clothing.

BEVERLY RANDOLPH BOYD

Randy participated in many extracurricular activities and made a real contribution to school life. He was an enthusiastic participant in Varsity Football, Soccer, and Track. In the realm of school publications, Randy was a "roving" reporter for the PINE NEEDLE and Business Manager of THE HIEROGLYPHIC. Randy consistently made good grades and always ranked in the top quarter of the class. Randy's sense of humor and love of fun made him a welcome addition to any party. Randy plans to study law, and, with his confidence and intelligence, he is bound to succeed.

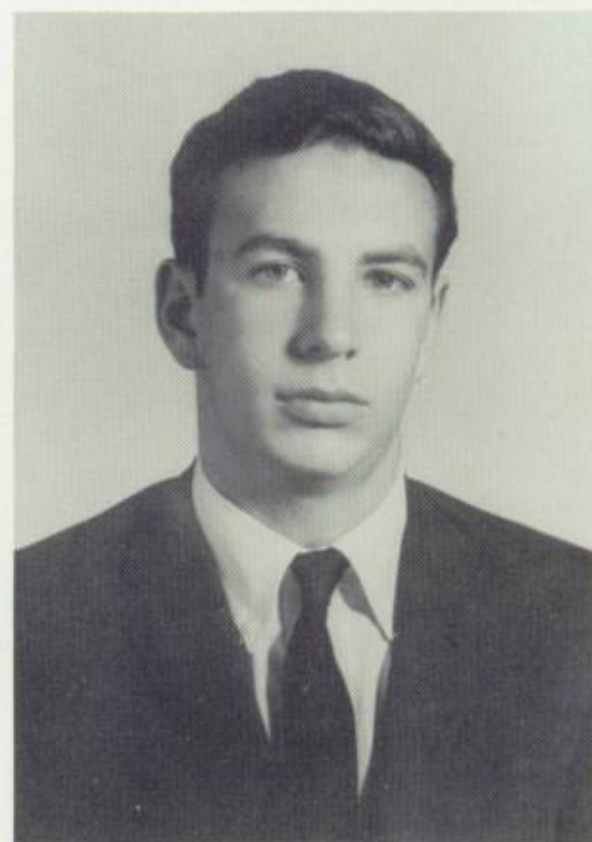

PATTESON BRANCH, JR.

Pat was one of the first in his class to earn his varsity letter. In 1962 Pat got his wrestling letter and became one of three in his class to be a Monogram Club member. One of the quickest of the grapplers, Pat was elected Co-Captain of the team in his senior year.

Besides wrestling, Pat also lettered in track for two years and served as a cheerleader in the fall. He was on the staff of both the PINE NEEDLE and the RAPS AND TAPS. Outside of school, Pat was well known for his successful parties, which highlighted several weekends of the year.

THOMAS CAMPBELL BRICKHOUSE

In "Brick's" two years here, he has been one of the most colorful boys in the class. He is always able to draw laughs by his clownish behavior and his light attitude. He is rarely bothered by any problem, but when he is, he usually solves them simply by being hypnotized. "Brick" has been a member of the Cross Country, Varsity Basketball, and track teams for the past two years. He has done very well in Cross Country and Track meets, except when he was bothered by pulled muscles--especially at R.M.A. meets! While not at school, "Brick" was usually found causing trouble with the "Chink" in Tazewell and vicinity.

GEORGE MACLAREN BRYDON, III

Larry was known for his considerable football talents and his way with the women. He was outstanding as linebacker and offensive end on the football team. His white VW can often be seen parked in front of St. Catherine's on Sunday afternoons. Larry also participated in wrestling and served as Co-Captain of the track team. He was also a director of the Missionary Society. Larry wants to go to VMI and he undoubtedly will fare well.

GEORGE CAMERON BUDD

George is probably the best natured boy in the class. He is quiet, and very easy to get along with. In spite of his love of fun, he has a great interest in the cultural side of life. Much of his time is spent outdoors; he is an excellent and dedicated tennis player as well as being a greater hunter and fisher. Recently, his ability as a tennis player won him recognition in city competition. Because of George's wide interests and his ability to get along with people, he will have a great many friends wherever he goes.

LEWIS BURWELL BUFORD

Lewis distinguished himself on the mats as perhaps one of the finest wrestlers ever at St. Christopher's. Strong and quick, he could always be counted on for a win and usually a pin. In addition to leading the wrestlers as co-captain, Lewis participated in Varsity Football and Track. The pride of West Avenue and Gloucester Banks, Lewis could often be found bombing to and from school in his black model A. Lewis also served as manager of the book room and got several ads for this publication.

WILLIAM CABELL, JR.

Billy is the school executive. For four years he has kept football, basketball, and baseball teams clean, mean, and worry free. His system of "scientific management" has, claim many coaches, kept the gym from falling apart. Bill is the photography editor of the PINE NEEDLE, and he has also exposed some film for the RAPS & TAPS. He is a director of the Missionary Society, and a notoriously subversive Presbyterian, arguing constantly with heretical Chaplain Moore.

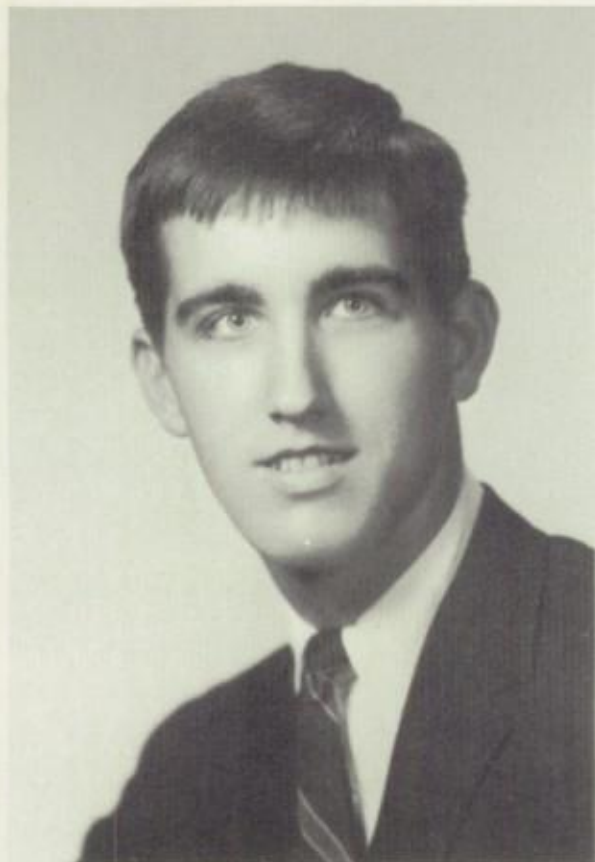

EVAN RAGLAND CHESTERMAN

The school will lose an irreplaceable character when Evan goes off to Ol' Siwash. He is truly the clown of the class, both on stage and off. A true son of the school, Evan lives up to the tradition of eat, drink, and be merry. He is especially noted for his blazing wind sprints during football and his parties afterwards. Evan has done a fine job of writing for the PINE NEEDLE during his career at school, and has achieved great success with the Dramatics Club.

CHARLES CARPENTER CHEWNING

Charlie, commonly known as "Chewch" or "C.C.C.", is probably one of the more ingenious boys at St. C. He really "lucked out" by receiving a Letter of Commendation from the National Merit Scholarship Corp. Chewch has distinguished himself by being the best quail hunter and the worst bear hunter in the class. He is an excellent center forward on the soccer team, and played end on the football team. Charlie fancies himself as quite a snowman, and only the acorns in the street seemed to bother him.

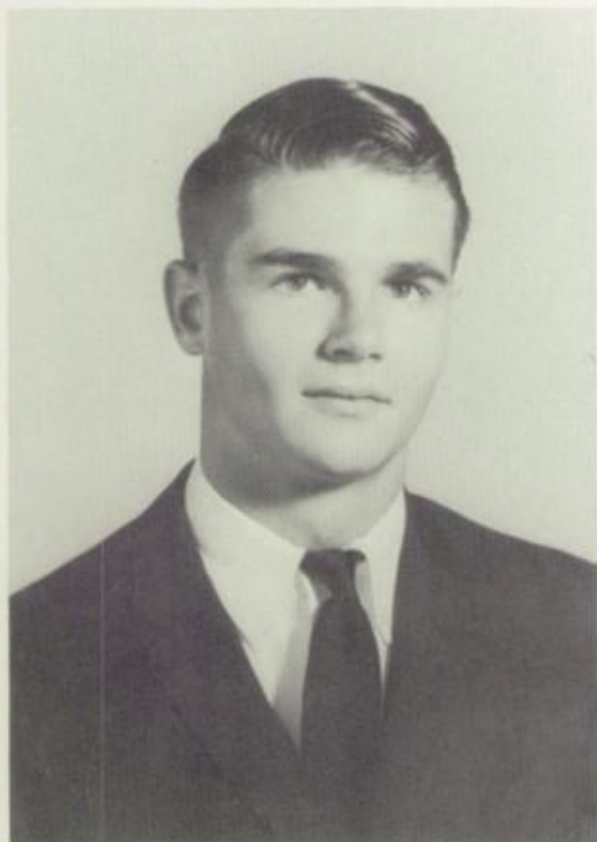

AUSTIN BROCKENBROUGH CHINN

A history student par excellence, "Aus" achieved much in his four years at St. C. His interests included work in the Dramatics Club and feature writing for the PINE NEEDLE. To fill in spare time between trips to the beach last summer, Austin managed to hold down a job in the Tappahanock Safeway. Austin claims the distinction of consistently having the messiest desk in Upper School study hall, a fact to which Mr. Helms will readily attest. Austin has ambitions to teach history after college, and we are sure that he will excel in this field.

BRADFUTE WARWICK DAVENPORT

Brad was one of the most conscientious and outstanding boys of the Senior Class this year. Through diligent study and hard work, he has always kept his grades high. In school or out of school, he could be counted on to stand up for what he thought was right. Brad held many important offices while at St. Christopher's. This year he was Secretary of both the Honor Council and Student Council, President of the Lee Literary Society, President of the Missionary Society, and a member of the Glee Club. He was also a member of the Varsity Football and Soccer Teams. Brad's record stands for itself, and any college would be lucky to get him.

STEVEN HUDSON DOUGHERTY

Steve was probably one of the most dedicated students to attend St. Christopher's. He confessed to have only average intelligence, but through complete and conscientious study, he compiled one of the finest averages of the Senior Class. Though not endowed with any particular athletic talent, he kept himself physically fit through strenuous exercise and weight lifting. Steve played a major part in the publication of the RAPS AND TAPS for two years, being assistant editor last year and co-editor for this year's edition. We are sure that this dedication will carry him successfully through medical school and forward in the ranks of his profession.

DONALD HAINES EASON

Don is a boy who has a great respect for physical strength and prowess. He has contributed to several teams, among them the football, wrestling, and track teams. He is a strong boy indeed, a fact evidenced by many a desk. On a more intellectual plane, he has lent his talents to several of the St. Kits Productions. Don's activities are not limited to St. Christopher's. It is generally conceded that he knows more girls than any other St. Christopher's student and he is well known throughout the area for his unique driving ability. St. Christopher's loses a colorful character with Don's graduation.

FRANK BLANTON EASTERLY

Frank's fierce desire and devotion to the school made him one of the most respected boys in the class. As Chairman of both the Student and Honor Councils and President of the Senior Class, he was depended on by his classmates. As Co-Captain and flanker back, he led the Varsity Football team to a highly successful season. Although football is his game, Frank was also a scrappy wrestler and third baseman on the Baseball team. Famous for his date with Gretchen and his European tour with Mr. Boney and Tead, Frank will surely continue his winning ways at V.M.I.

WARREN PHILO ELMER, III

In Warren's one year here, his spirit and drive did much to inspire his classmates. The fact that he was selected "Most likely to succeed" is evidence of that. He was a hard worker on the athletic field as well as in the classroom. He scored several goals in soccer matches, and was the only St. C. man to be experienced in lacrosse, which he helped start this year.

Where ever he finds himself next year, we feel certain his ability and determination will serve him well.

CHARLES WINGFIELD EWING

Known around school for his unique wit and cherished change box, Charles was prominent in school life. He stood out as a hustling offensive guard and defensive tackle on the Saint eleven. Charles did well as halfback on Mr. Carrington's soccer squad and equally well as second bass in the Glee Club. Putting his fathomless wit to good use, Charles exposed the PINE NEEDLE readers to a taste of classic humor as Mirth Editor. Charles maintained a good average in his studies, and it is a safe bet he will continue his achievements in college.

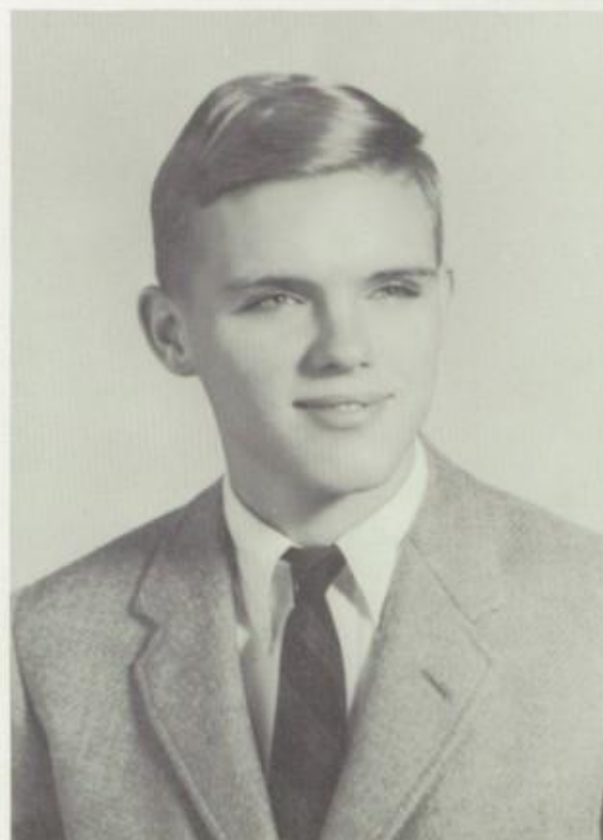

FRANK OWEN FREULER

Frank is famous for being the biggest snowman and best basketball player ever to hit the Richmond area. In his short stay here, his colorful character and North Carolina wit made him one of the most popular boys in the class. He was a member of the Student Council and served as chairman of the Boarder's Council. In addition to being Captain of the Basketball team, he was a starter on the Varsity Football and Baseball teams. Frank is sure to continue his fine record at Chapel Hill.

WILSON PRESTON FUNKHOUSER, JR.

Wilson has made an enviable record for himself both academically and otherwise. His scholastic achievement was highlighted by his being named as a National Merit Scholarship Finalist; no pseudo-intellectual, he. As co-editor of the PINE NEEDLE he provided much of the labor which made that publication have a good season. He also gained the honor of becoming the first anonymous contributor to THE HIEROGLYPHIC, and the student with the best attendance record at a certain Grove Ave. eating? establishment.

TYLER RENDALL HARRIS

Tyler was one of those boys who always had a good word to say about everyone. As head cheerleader or a dedicated round-baller, Ty's spirit inspired all those around him. Tyler undoubtedly logged more hours in the gym on Sunday afternoons shooting baskets than any other member of the team. Tyler likes to think of himself as quite a performer on slalom skis, and anyone at Fishing Bay will readily point him out as "ski king" of the Bay. Tyler hopes to attend the University of Virginia next year, and we are certain that he will meet with success.

CHARLES WILLIAM HOUSER

During his eleven years at St. Christopher's, Chuck has always been known to be an excellent student and a real friend. Though not athletically inclined, he has frequently lent his talents to the Dramatics Club. This year he has devoted himself and his time to the preparing of the RAPS AND TAPS and has done a bang-up job as co-editor in this endeavor. We congratulate Chuck on being a Finalist in the Merit Scholarship program, and wish him continued success.

CONWAY KNOX HUBARD

All who know Knox admire the quiet manner that has earned him the friendship of all those he meets. While maintaining an above average scholastic ranking, he has served as a cheerleader when not running track or wrestling. He started his wrestling career by lettering in his freshman year. This year a dislocated shoulder cut short his career after the first match. Knox will never advise his children to play the field. He himself has had only one real girl friend throughout his high school years. We hope his college years will be profitable.

PHILIP WHITFIELD HUGHES

Phil came to St. Christopher's four years ago unknown, but now it is hard to find anyone who hasn't become friends with this congenial redhead. Phil's humor has brought many a laugh to his fellow schoolmates. His determination in athletics has won the respect of both coaches and players. Whether in football or in soccer, his desire to "get in there and fight" has put fear into the opposing team. His popularity and interest in school activities have won him an honored position on the Student Council. Only last summer did "Oogie" realize that he had some talent with a guitar. With the help of Leon Peek at Mr. McVey's summer camp, he became quite a musician.

LOUIS EUGENE JEFFRIES

In his three years at St. Christopher's, Louis has been a hard worker and has made many friends. Besides achieving good grades, he has also achieved success in the Dramatics Club. During the spring Louis can be seen running between the gym to the track, managing the track team.

During the weekends Louis usually takes in the best movie in town. An avid movie fan, Louis knows a great deal about the history of the motion picture theater, as well as the stage.

CURTIS WILLIAM JERNIGAN

When Curtis came to St. Christopher's in the Fifth Form, he soon established himself as a good student and a real friend of the school. He was probably more familiar with school life than anyone else in the Senior Class, having been a day student, a five-day boarder, and a full time boarder. His easygoing manner and friendly smile have won him many friends. Though not gifted athletically Curtis worked hard on the Junior Varsity Football, Basketball, and Baseball Teams. He was also a loyal staff member of the RAPS AND TAPS.

EDWIN CLAY KELLAM, JR.

Even though Ed has been at St. C. for only two years, he has left a lasting impression on everyone with whom he has come in contact. Quiet by nature, he has been conscientious in his studies and in his support of the school's athletic program. Hailing from the wilds of Norfolk, Ed was a loyal grappler and took great pride in St. C.'s mat victory over "The Academy" this year. Ed's fine school spirit and qualities of leadership won for him election to the Boarder's Council as a representative from cottage four.

BERNARD BROOKS LIPFORD

In Brooks' seven years at St. Christopher's he was always eager to lend a helping hand to any and all who desired it. When Brooks starts on something, he is determined to stick with it, as shown by his efforts on the Soccer and Football teams. An avid pool player, he has found the Boarders' Room very convenient. Away from school, Brooks' main hobby is fishing. Brooks' determination will serve him well in future life.

STEWART KIRK MATERNE, JR.

Although Kirk has contributed to the school in quite a number of ways, his most obvious contribution has been his everpresent wit which brightens every group he is a part of. This personality has also gained him a favorable ranking with the opposite sex--which probably explains his constant traveling up and down Tempford Lane. "Scooter's" athletic ability is exemplified by his position of captain of this year's Tennis Team. He has also participated in football and basketball. We know that Kirk's outstanding ability to get along with everyone will enable him to do well wherever he attends college.

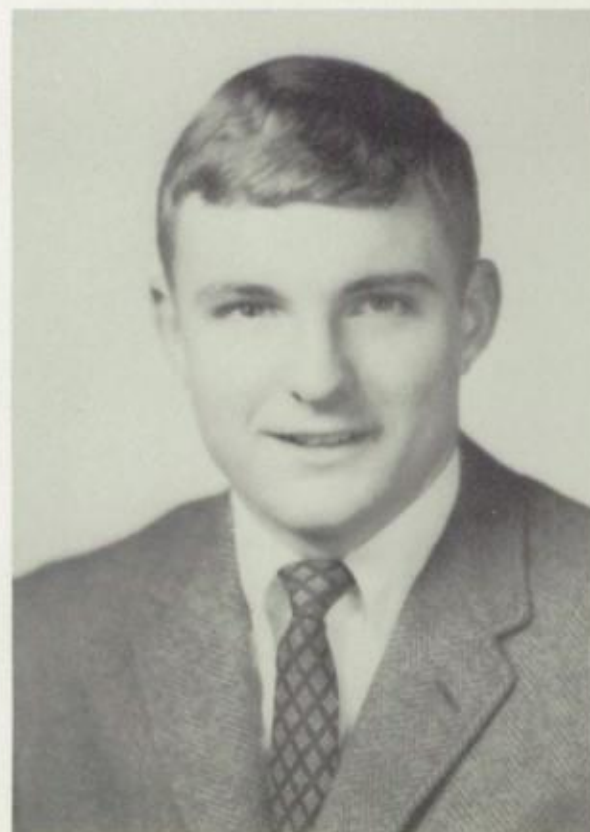

THOMAS STANLEY MEADE, JR.

Look for the tallest one in a crowd. There he is, its Tead! Towering above the rest of his classmates, Tom is well-liked by all. Contributing to many school organizations, he has acquitted himself well. As Sports Editor of the PINE NEEDLE, his Ticker Tapes are world renowned. Playing three Varsity sports, he stands out as Co-captain, hurdler, and high jumper on the Track team. A hard worker, Tommy has achieved well in the classroom. A true outdoorsman, Tommy often sets out with shotgun or casting rod in hand in search of any available form of wildlife. Good hunting, Tom!

JOHN LUTHER MORGAN

John has been a boarder at school for several years. He has taken an active part in Varsity Football, Basketball, and Track. John spent his last two summers working on construction jobs in his home town of South Boston. He spends most of his spare time tinkering around on his set of drums or frequenting St. Catherine's, where he claims he is "idolized". John plans to attend Guilford College next fall.

JAMES HANCOCK MOSELEY

Jim was undoubtedly the guy with the most spirit and determination in the school, both in athletics and in the classroom. He was admired and respected by all. Jim served as a sportswriter for the PINE NEEDLE for three years, and this year served as sports editor of the annual. He was also noted for his abilities as both wrestler and drummer. The people on Wilton Road could often hear a wild beat coming from his basement. A true sports car man, Jim was frequently seen bombing around St. Catherine's in his blue VW.

We all wish Jim the best of luck next year at college.

JOHN DANIEL McRAE

The word for John alias "Spider" McRae was consistency. It might have been in the classroom or singing for the Glee Club, or working for the Dramatics Club, or even writing for the PINE NEEDLE, but John consistently gave a good effort. Outside of school, John could be found teaching guitar at Don Warner's Music Studio or on the pistol range. He was a member of the National Rifle Association and hoped to be certified as an Assistant Marksmanship Instructor.

VALENTINE JORDAN NESBIT

Val was a person who was very friendly and easy to get to know. He set high goals for himself in all his dealings. No matter how well he may have done on the track, in class, or in the community, he was never satisfied if he thought he could have done better. Nub was an ardent sports fan and a phenomenal girl discoverer. (To whom many of his classmates turned.) His record collection was nothing short of fantastic. As far as school work goes, Val always did well and was high up in the class ranking. He was a great booster of school spirit and will be an asset to any institution to which he may be connected throughout life.

EDWARD FRANKLIN PEARSALL

Frank was the Business Manager of the PINE NEEDLE; his loud protestations about which ads must be run rang through the campus on Sunday afternoons. Sports cars are Frank's second love. He was often seen, his M.G. screaming, tearing off in the direction of Freeman to see Nancy. This year, besides working on the PINE NEEDLE, Frank was on the editorial board of the HIEROGLYPHIC, has been an enthusiastic cheerleader, and was a stalwart member of the Glee Club's carol singing group.

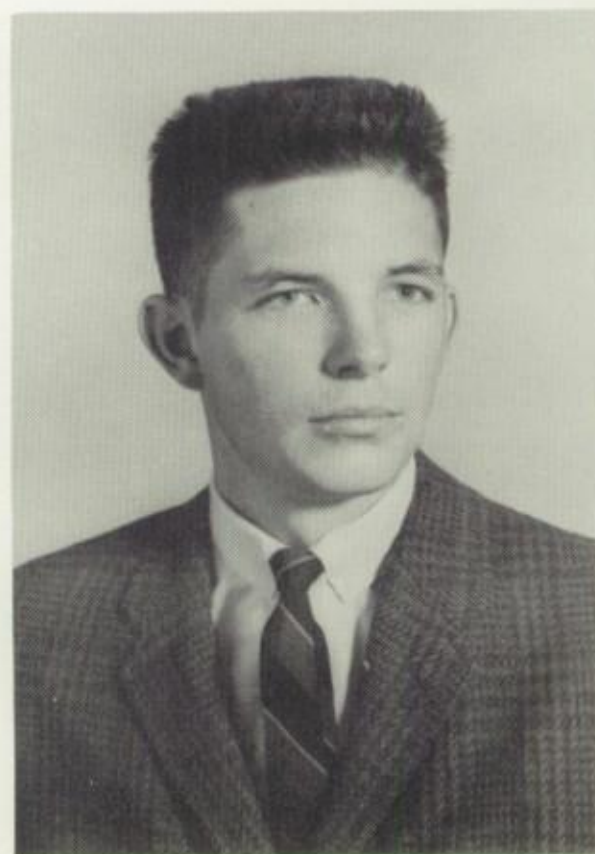

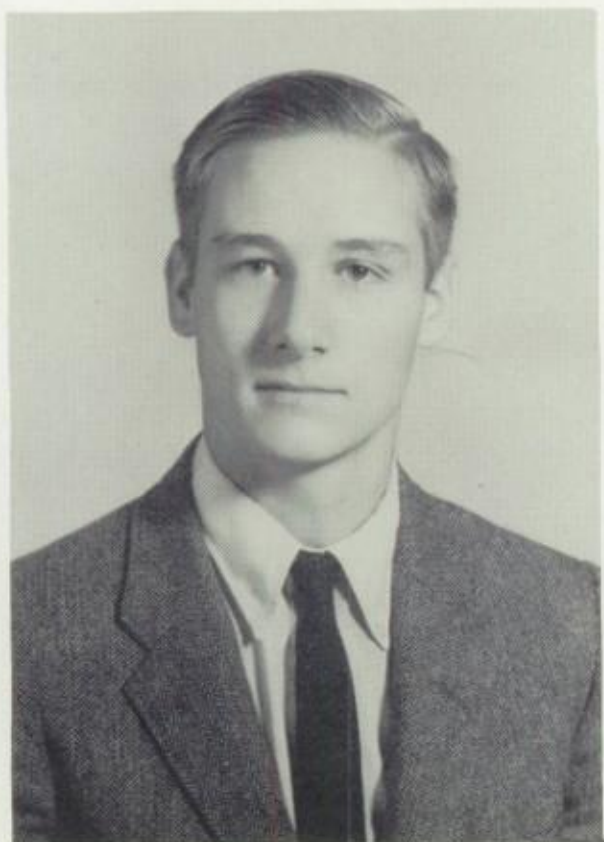

JOHN ATWOOD PERKINS

Jack has been a rugged Saint football lineman for three years. This year he was especially outstanding at his defensive end position. In the spring, he puts his speed to use in Varsity Track. For two years, he was the man to be counted on in the 100 and 220 yard dashes. Known for his country grin and casual manner, Jack is sure to be popular wherever he goes to college.

HAROLD WALTON PURCELL

In his three years at St. Christopher's, Hal has earned quite a few honors. The Boarder's Council was organized during his first year here, and he was elected a member of that body, serving on it for two years. He served on the Student Council for two years, on the Honor Council for one year, and as a Director of the Missionary Society for two years. His strong performance on the Varsity Basketball and Varsity Baseball Teams during two seasons earned him admission to the Monogram Club. He was also a member of the Glee Club and was Secretary of the Senior Class. Hal's fine record clearly reflects his great personality and his ability to make friends.

FRED CAMPBELL REA

In Fred's four years here, he has proved himself to be a conscientious worker and a good friend. He has been a persistent supporter of track, managing Cross-Country in the fall and throwing the discus in the spring. Away from school, Fred manages to get in as much skiing as he can, perhaps for more than sporting reasons. We often wonder what happens on those lovely Maine slopes in the winter. Whether as a farmer or as an engineer, Fred is sure to be successful.

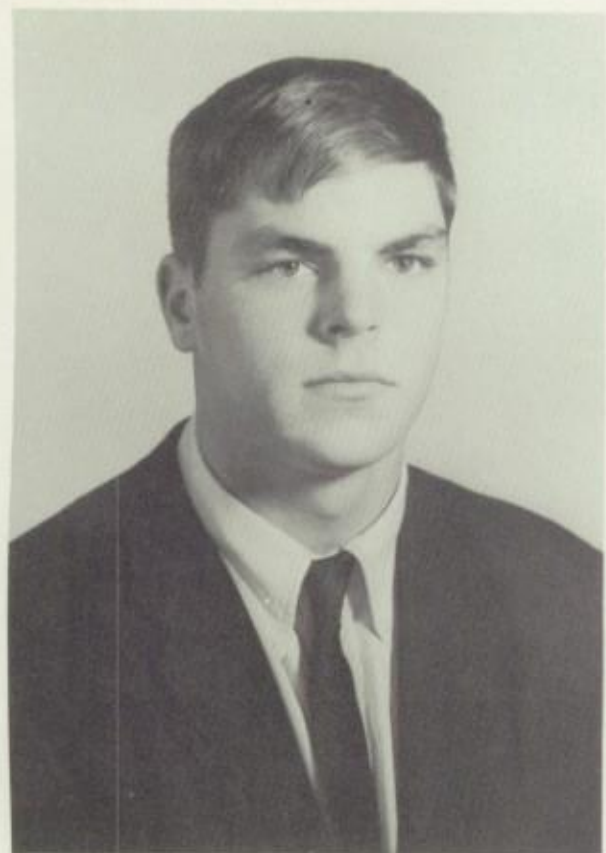

LOUIS FARTHING RYAN

Louis was one of the hardest working boys in the class, and his record shows it. In addition to being among the top in the class, he was a fullback on the soccer team, business manager of the RAPS AND TAPS, and a staff member of the HIEROGLYPHIC and the PINE NEEDLE. He has been a member of the Glee Club for three years, and is a talented pianist. Louis was one of the class sports car fiends, and his blue TR-4 is seen wherever there are girls.

PETER EDWARD TANGREDI

Peter arrived at school four years ago as a day student. When his parents moved away, Pete adopted the life of a St. C. boarder. An avid basketball fan, Pete follows the pro teams with interest, watching his favorite team, the Boston Celtics, in action whenever possible. Pete plays tennis in his hometown of Scarsdale, New York, in the summertime, and this year earned a position on the Saint net squad. As a Saint cheerleader, Pete was always a loyal supporter of the teams.

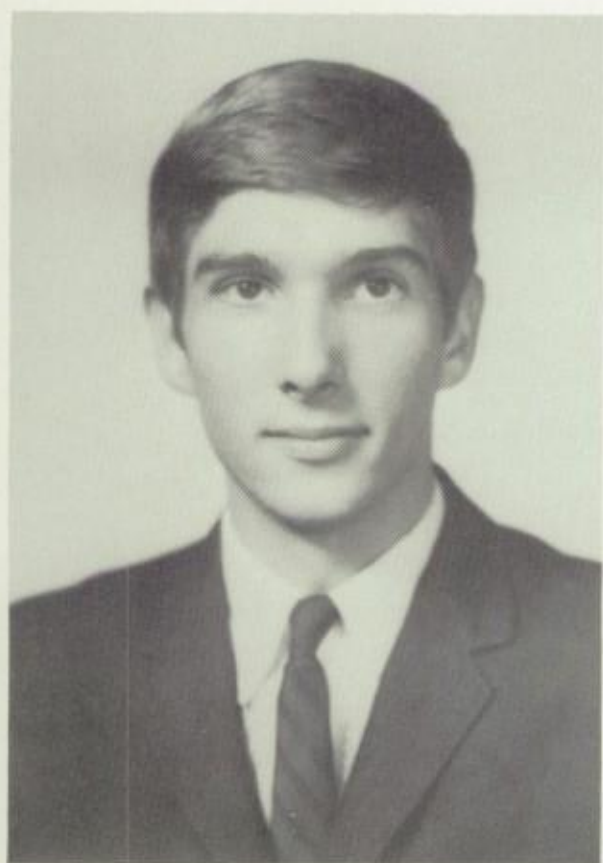

HUGH HARRISON TOMPKINS

The match is tied; a tremendous figure approaches the mat; the crowd goes wild; a pin is inevitable! Hugh has used his size and skill to advantage in Varsity Football and Wrestling. He has been an aggressive Saint defensive lineman for four years. Although he won the title of "biggest buller" in the Senior Class, Hugh is goodnatured and fun-loving. He added unforgettable spice to French class with his many unique recitations. When summertime rolls around, Hugh can usually be found biding his time at Va. Beach. A real character and a fine athlete, we wish the big man luck in the future.

RICHARD BELL TUCKER

Dick has been at the top of the class for all of his years at St. Christopher's. He is famous for getting such good grades that he ruins the curve in the advanced math class. This year, Dick was co-editor of the PINE NEEDLE, and a member of the Cross Country and Track Teams. Known for two or three great parties a year, he has contributed to every phase of school life. We are sure he will do QUITE well at Yale next year.

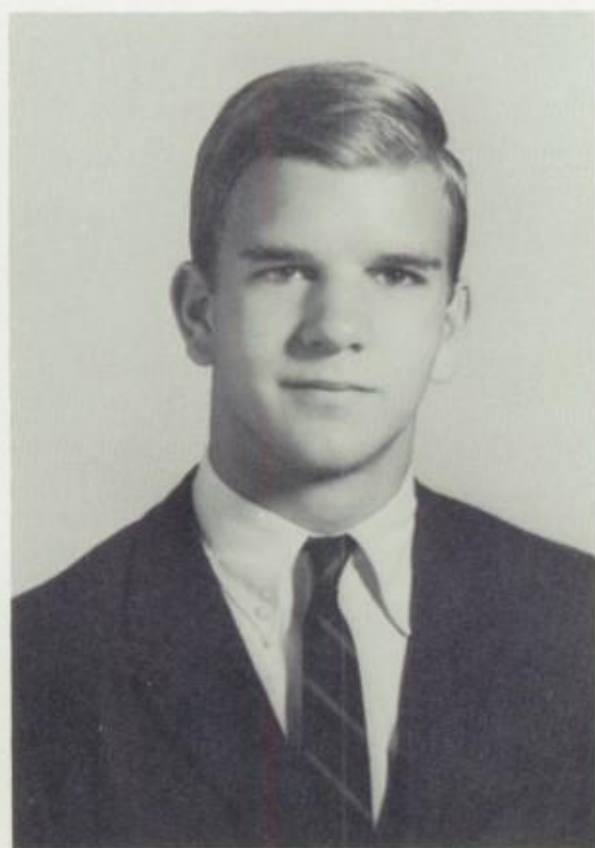

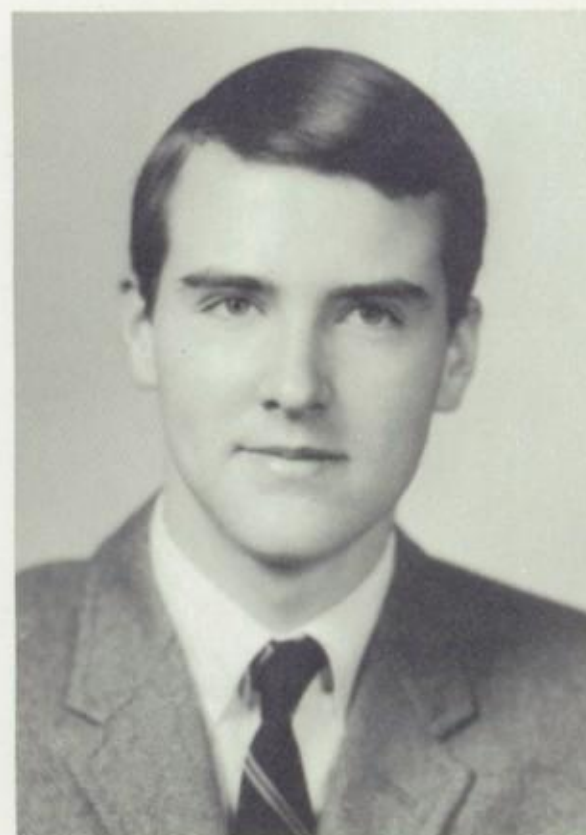

EARNEST CECIL VAUGHAN

Chip ranked toward the top academically. Conscientious in his work, Chip did not let his studies ruin his fun on the week-ends. His spirit and excellence in athletics earned him a place as Co-captain of the Soccer Team. He also lettered in Varsity Baseball as a capable outfielder. Because Chip excels in mathematics, he plans to become an engineer. We know he will be well-liked and successful at U. Va.

FRED RICHARDSON WILLIAMS

Fred arrived for his Freshman year at St. Christopher's as a mountaineer, and he departed at the end of his Senior year as a resident of Tidewater. His quiet manner and interest in others made him popular among his classmates, and he added much to the life of the school. He was a member of the Cross Country Team during his Junior year, and for three years he lent his talents to the Soccer Team. His second tenor voice did much to enhance the quality of the Glee Club. He took an active part in the presentations of the Dramatics Club, and is remembered for his performance in OEDIPUS REX.

JULIEN HOBSON WILLIAMS

Julien was known for his perennial grin and good nature. He was talented in many fields. He did a fine job as guard in football and as center halfback in soccer. He served on the PINE NEEDLE staff for four years, and his second tenor voice added a lot to the Glee Club. A loyal supporter of the University, Ju-Ju hopes to attend Wahooland next year.

KENNETH MICHAEL WILLIAMS

Ken was the class radical, and has been known for his liberal political philosophy ever since he arrived in the Third Form. He was also one of the intellectuals of the class; he capped his record of drinking "deep from the fount of knowledge" by becoming a National Merit Finalist. Ken was often seen engaging in cloudy thinking in the confines of the S Club, of which he was long an ornament. He was editor of the HIEROGLYPHIC, and was its major contributor all five years of its existence.

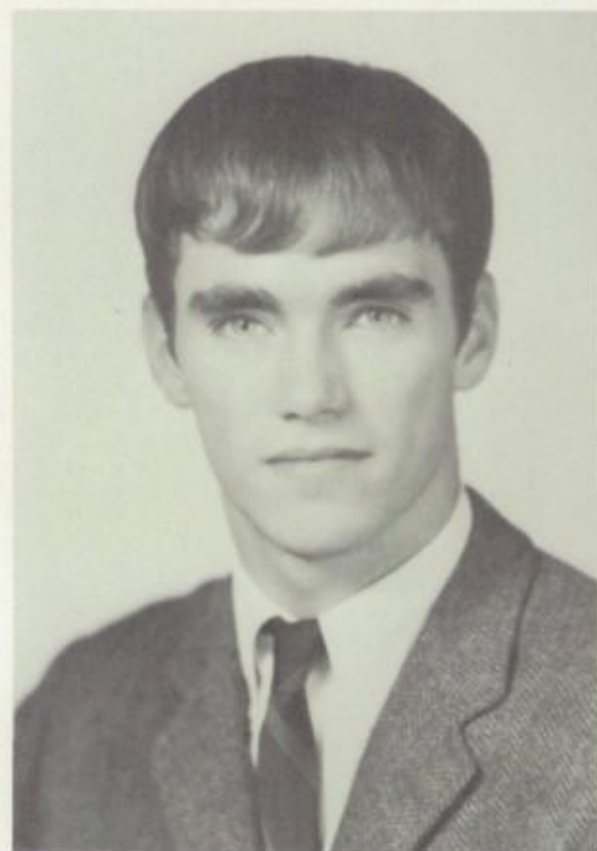

MARION EUGENE WILLIAMS, JR.

Marion did not let changing schools in the middle of the year bother him when he came to St. Christopher's last year. He immediately entered into various school activities, and his high grades put him in the first quarter of the class. Mr. Boney, elated at the prospect of having a "redneck" on the Basketball Team, welcomed him with open arms. Marion's academic ability and sense of humor have made him an asset to the school.

CHARLES HARRISON WILSON, JR.

Bucky has participated in football and baseball from the Bulldog to the Varsity level since coming to St. Christopher's five years ago. He has lettered in Varsity Soccer for three years and was Co-captain of the team this year. Aside from his athletic ability, his school record shows that he has consistently made the Honor Roll or Merit List. Bucky is known for his profound vocabulary and his ability to say the right thing at the right time.

THE CHRISTMAS PAGEANT

The Christmas Pageant is a tradition nearly as old as the Lower School itself. For many years the service was held in the gym. The size of the crowds attending the pageant and other factors forced its movement into the new auditorium several years ago. The pageant includes tableaux, scripture reading, and carol singing by the choir.

The Boarder's Council, though little known at first, has been gaining respect and recognition during the past three years. The purpose of the Boarder's Council is to be of service to the school, to foster school spirit and morale, and to allow proportionate representation to the boarders in matters pertaining primarily to them. Each night during the week, two Council members hold order in the library. On weekends, all members assist in maintaining order in school buildings and on the campus. The Council helps to put into effect suggestions for improving the boarding department. This year, Frank Freuler was elected Chairman. Chip Massey and Russ Palmore shared the position of Secretary. Mr. Squires and Chaplain Moore served ably as faculty advisors.

To keep the defense honest, quarterback Hugh Powell passed 20 yards to Easterly in the end zone for another touchdown. Benedictine used a passing attack, but the Red and Gray defense held them to one score. Many Saint rooters turned out for the game and the cheering was good throughout the contest.

SAINTS-21 ST. STEPHEN'S-0

The Saint team was off to a good start, and they showed it was not a fluke by beating St. Stephen's School 21-0. It was the first home game and the Saints did well. Hugh Powell's passing arm played an important role in the victory. In the second quarter, Powell passed 30 yards to end Larry Brydon for a touchdown. Frank Easterly also snagged a Powell pass and scored. The Saint defense constantly harassed St. Stephen's offensive efforts. Frank Freuler intercepted two enemy passes and Bobby Englander intercepted one. Continuing his fine team leadership and football ability, Frank Easterly swept end for five yards in the third quarter to put the Saints farther ahead. The Saints gained 347 yards total offense as compared to 215 yards for St. Stephen's.

SAINTS - 33 COLLEGIATE - 7

Against arch-rival Collegiate School, the Saints passed and ran to a smashing victory. With two big wins under its belt, the Saint team was ready and anxious to take on the always respected Cougars. The Saints scored in the first quarter on a Powell to Easterly pass play. Collegiate took the ball down the field and scored to make it 7-6. The Saints scored once more before the half when Mike Krupin took a fumble 20 yards for a touchdown. The Saints came back in the second half to add three more touchdowns to their total.

Before a large Homecoming and 125th Anniversary crowd at EHS, the defensive squad was rugged and determined. Episcopal completed a third quarter pass which put them on the one foot line. The Saints held the Maroon scoreless for four plays in a great defensive effort. After three hard fought quarters, the Saint offense finally broke the ice. Halfback Heber Himmelwright got behind his defensive opponent and Hugh Powell hit him with a 42 yard touchdown pass. In the final moments of the game, big Saint full-back John Zaharov crashed over the left side of the line and raced 49 yards for another score. Charlie Blanton started things off right for the Saints with a 53 yard touchdown run on the third play from scrimmage. The Saints scored eight more times to make the rout complete. The game was decided after the first quarter and Coach Herzog substituted freely. A large crowd was on hand to see the Saints roll up more than 800 yards in total offense in capturing their fifth straight victory.

SAINTS - 7 WOODBERRY - 14

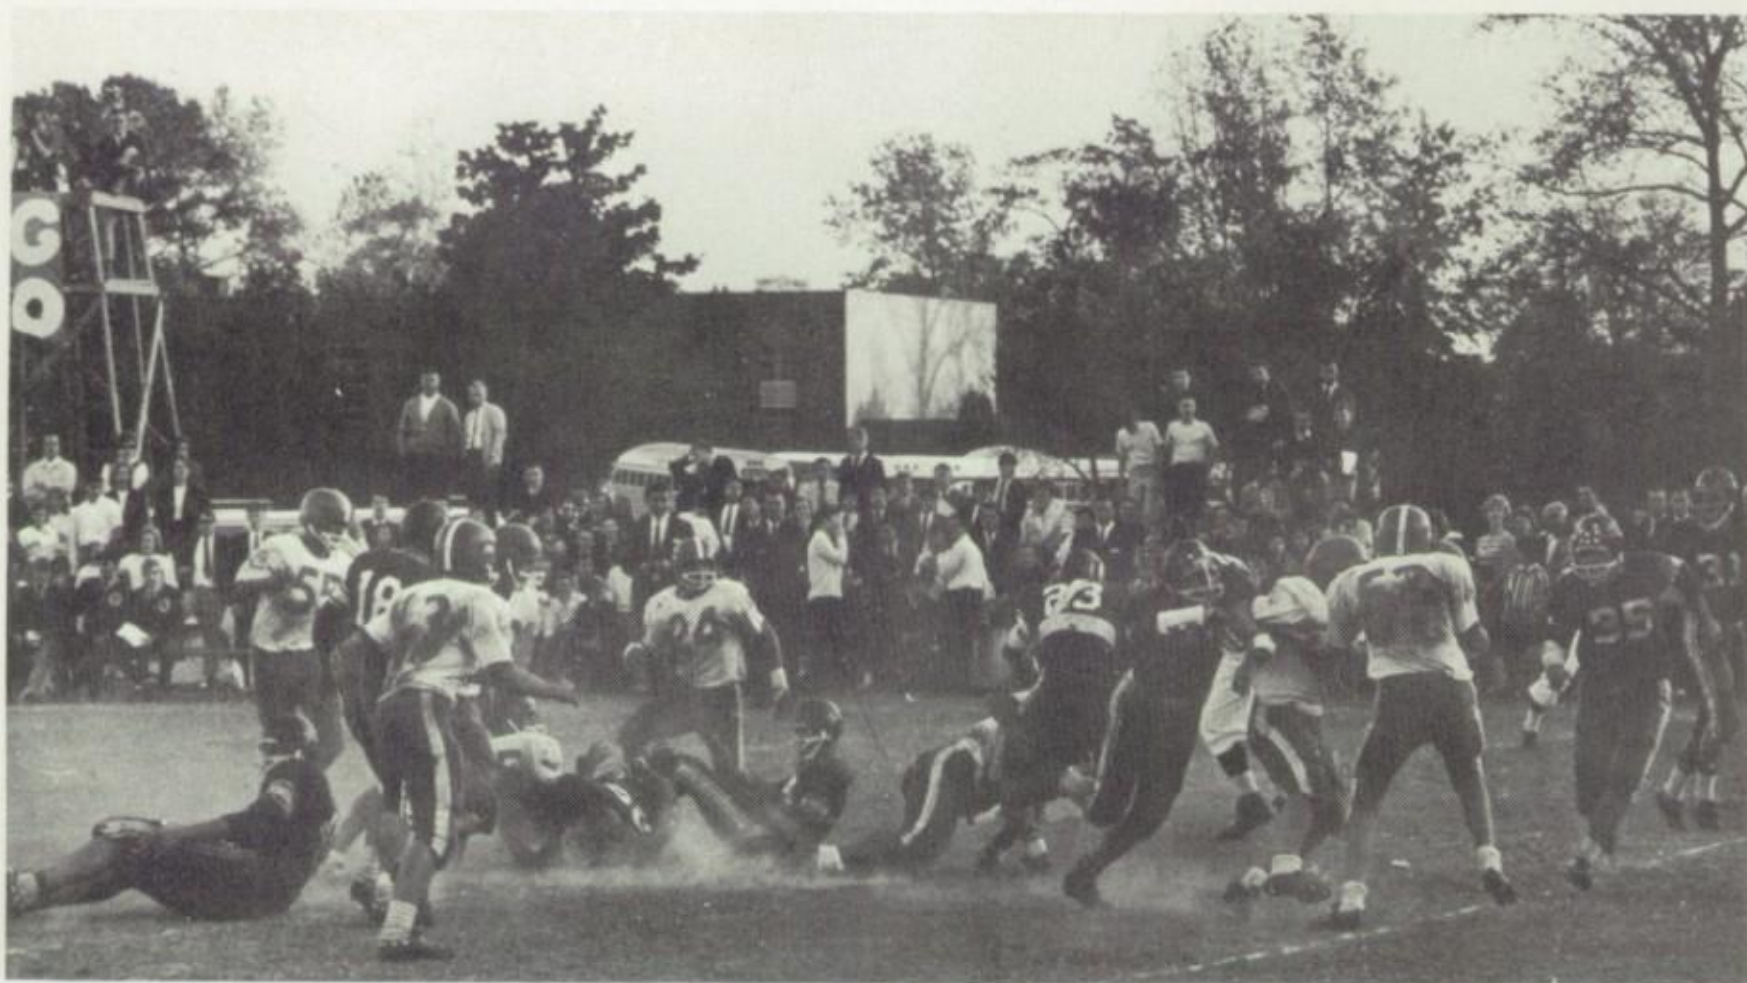

The unbeaten Saints took on the unbeaten Woodberry Forest Tigers in a clash between the two powerhouses of the Prep League. A Homecoming Day crowd of 3,000 watched the two teams display rugged defensive football for three hard fought quarters. Darryl Deane, Mike Krupin, and Tim Brown were the Saint stalwarts. In the fourth quarter, Woodberry, taking advantage of an injury to Saint linebacker John Zaharov, pounded the right side of the line for nine plays and scored when fullback John MacCorkle crashed over from the one. Trying desperately to score with 3 minutes remaining,

the Saints were unable to move the ball and lost on downs on their own 19 yard line. Woodberry scored two plays later with an end sweep by MacCorkle to take a 14-0 lead. With seconds left, Saint quarterback Powell unleashed a 55 yard pass which Heber Himmelwright wrestled from the Woodberry defender and took in for a Saint touchdown. Woodberry ran out the clock to emerge victorious.

SAINTS - 6 RANDOLPH MACON ACADEMY - 0

After the disheartening loss to Woodberry the previous week-end, the Saints played good defensive football and nipped Randolph Macon Academy 6-0 at Front Royal. The power running of fullback Charlie Blanton and the option runs of Powell sparked the Saint offense. The RMA running attack was limited to 35 yards by the Saints. Charles Ewing and Russ Palmore made key tackles all afternoon. It was a ball game filled with fumbles, and miscues, but the Saints fought hard and won.

SUMMARY OF THE YEAR

The Saint's Cross Country Team for 1964 was led by Leroy Smith and Chesley Goldston. Both won two meets, and were consistently finishing among the top three. Chesley's time of 11:45 was the fastest time run by a Saint on the home course during the year. The course record, as it now stands, was set by Jim Hotelling of VES at 11:37.

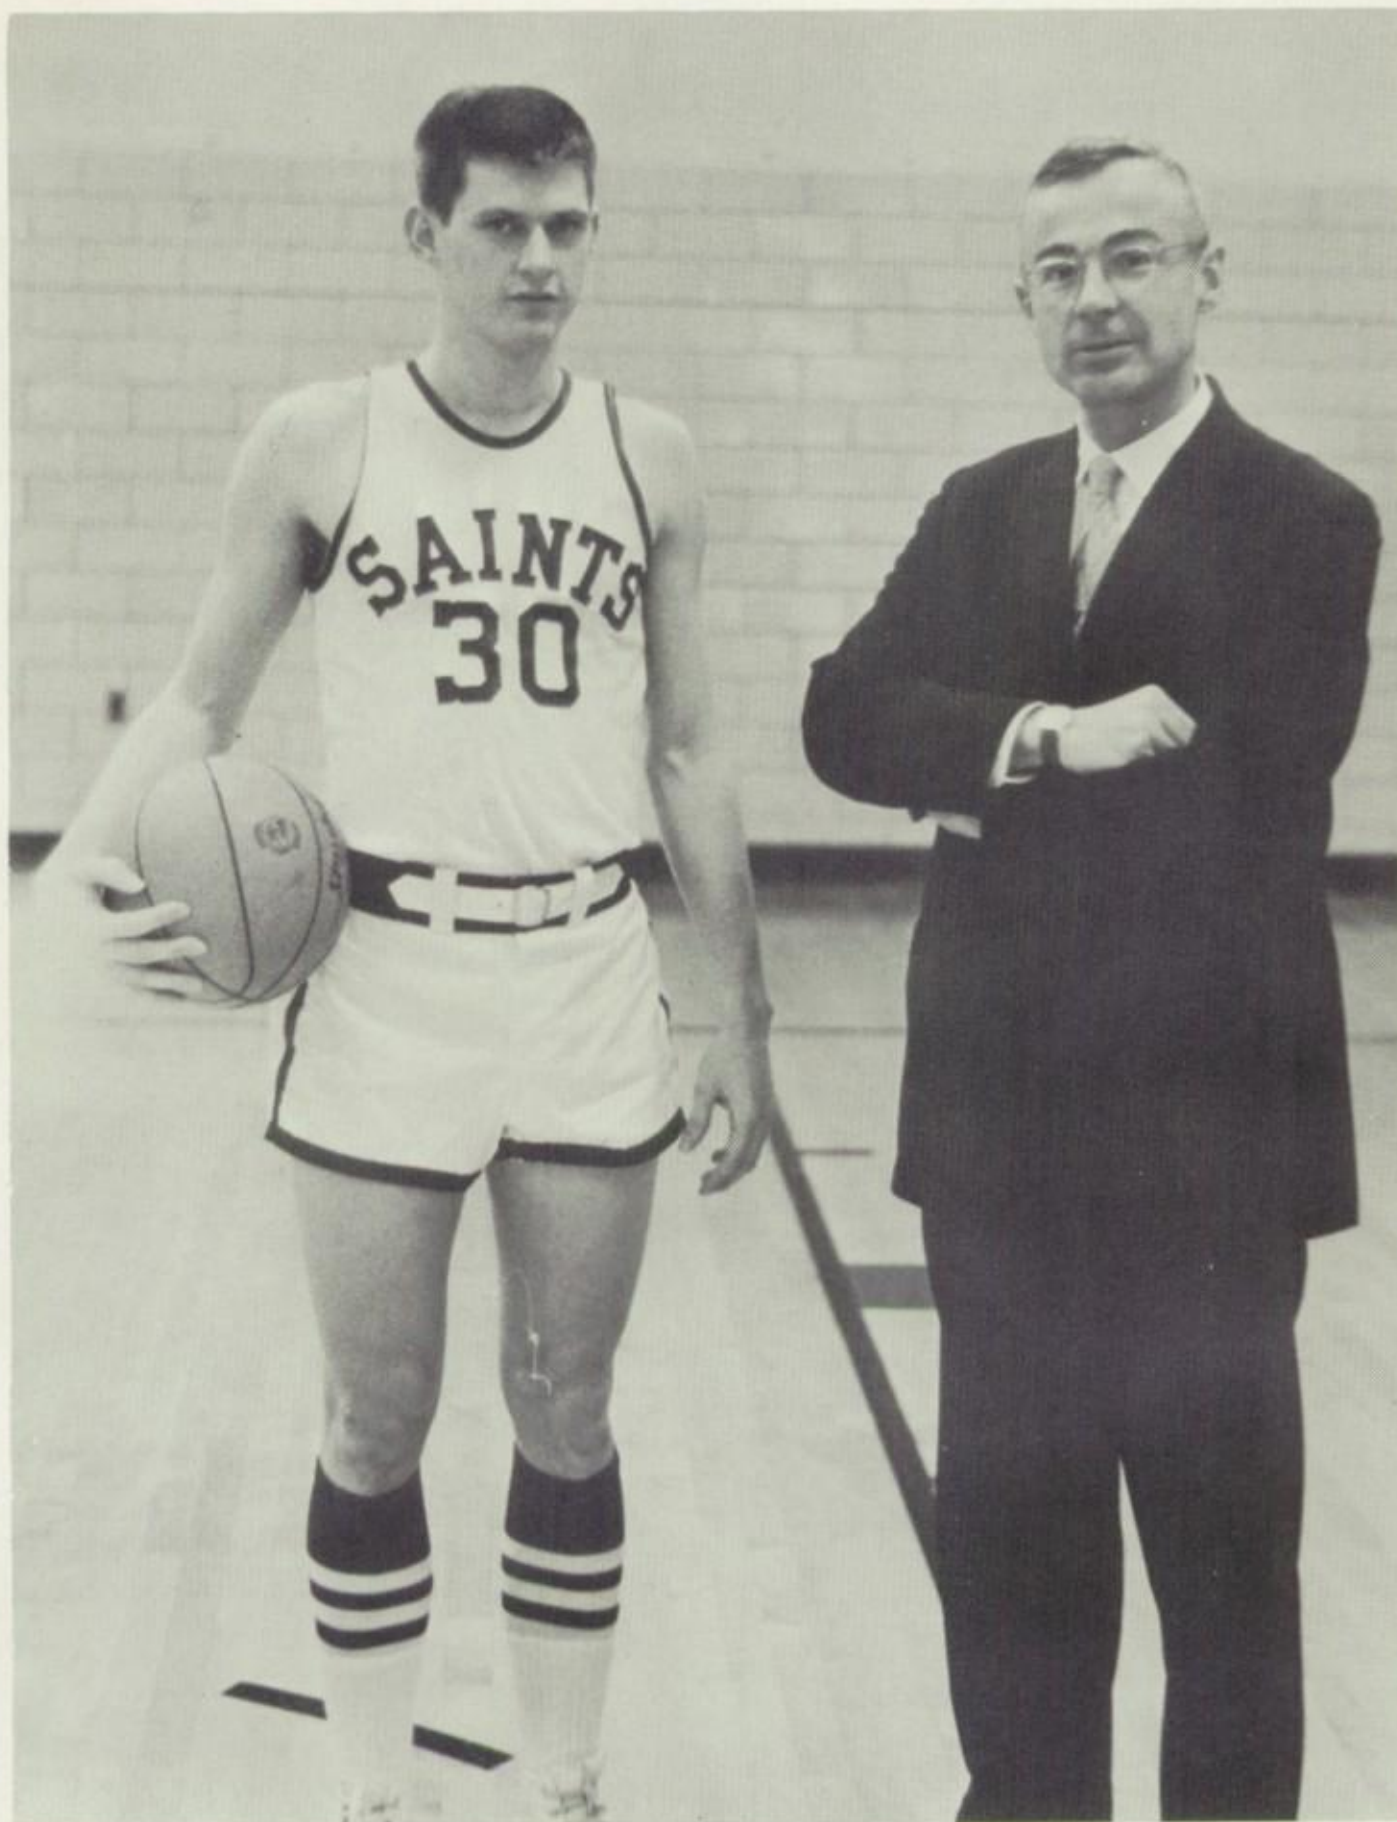

The remainder of the top five runners on the team were Captain Bill Grigg, Tom Brickhouse, and Reg Bedell. Ken Miller added to the depth of the team near the end of the year. As the season progressed several young boys, among them Tony Burke, Bruse Dorrier, and Stokes Grymes developed into fine runners with tremendous potential. These are the boys who will form the nucleus of next year's team.

Although the team did not have a winning season, they did capture important wins over Collegiate and Woodberry Forest. The Saints had fine spirit and worked hard everyday, sometimes even running hills at the Country Club of Virginia or at Roslyn. Coach Boyd did a fine job and looks forward to a winning season next year.

SAINTS DROP OPENER 70-40

The Saints opened the roundball season at home against Fork Union. The Saint starting five consisted of Frank Freuler, Tyler Harris, Tom Meade, Heber Himmelwright, and Kirk Materne. The Saints were ragged in their first game and shot a poor 22% from the floor. Fork Union surged ahead in the third quarter and coasted to an easy victory. Frank Freuler had 19 points and 16 rebounds for the Saints.

SAINTS BEAT NORFOLK ACADEMY 58-42

The Saints captured their first victory at the expense of Norfolk Academy Bulldogs. After a low scoring first quarter, the Saints added 22 points in the second quarter to take a commanding lead. Captain Frank Freuler hit for 22 points to pace the Saints. Tyler Harris added 19 points in the winning effort.

YELLOW JACKETS FALL TO SAINTS 72-54

RMA jumped to a six point lead at the start, but the Saints, behind the shooting of Tom Meade and Frank Freuler fought back to tie the score at 16-16 at the end of the first quarter. Hitting on 42% of their shots from the floor, the Saints never again relinquished the lead. Freuler (29 points), Meade (15), and Harris (8) sparked the Saint offense.

CADETS OUTSCORE SAINTS 56-46

The Saints took on the home-standing Benedictine Cadets in the first night game of the season and lost a close one, 56-46. With a 45-41 lead in the final quarter the Cadets began to freeze and forced the Saints into pressing mistakes. The Saints drew to within three points with 1:37 remaining, but a Cadet scoring spree put the game out of reach. Tyler Harris led the Saints with 14 points.

COUGARS WIN 57-50

The Saints' one-two scoring punch of Freuler and Harris was operating at full tilt but it was not enough to halt the more balanced scoring attack of Collegiate's tall Cougars. The Saints fell behind 20-13 at the start. The Saints shooting was off at the start of the game. Several rallies were made, but Collegiate, led by guard Lucky Jacobs, held on to win the game.

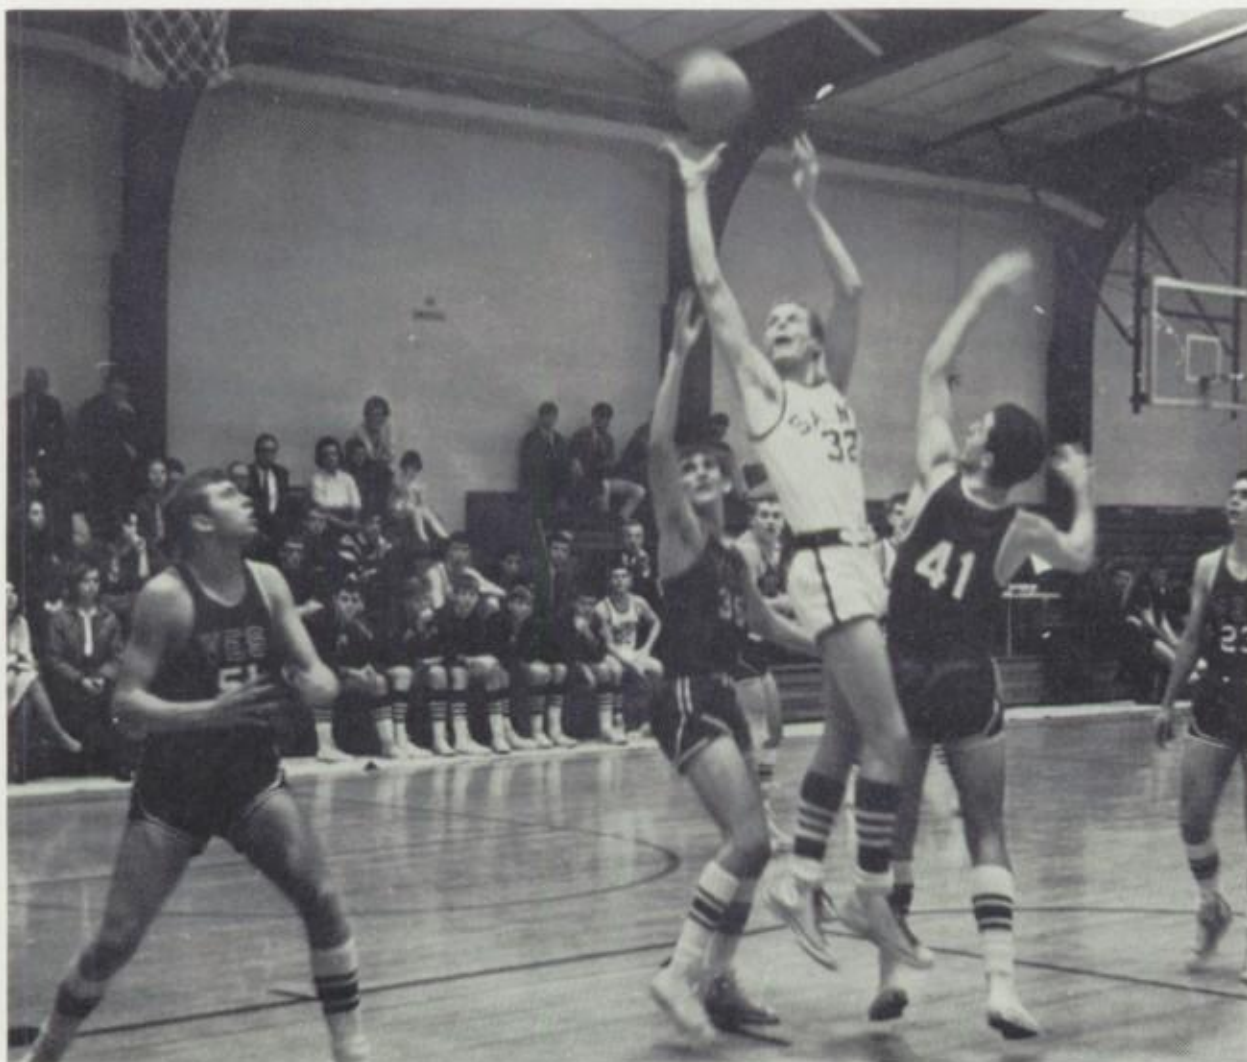

SAINTS FALL TO MONARCH RALLY 65-61

The Saints blew a big lead in the final quarter and lost a "heartbreaker" to Meadowbrook, a Capitol District team. The Saints were red hot in the first quarter, but cooled off in the second. Meadowbrook, behind the fine shooting of All-State Rusty Mooberry, rallied during the second half and took advantage of Saint ball-handling mistakes to overcome the Saint lead with 3:30 to go in the game. Frank Freuler scored 22 points, and Tom Meade scored 10 to lead the Saints.

SAINTS NIP TIGERS 51-48

The Saints held off a late surge by the Tigers of Woodberry Forest behind the hot shooting of Tyler Harris and the clutch play of Tommy Brickhouse and Frank Freuler to secure an important Prep League victory. The Saints held Woodberry to 7 points in the third quarter and built up a 12 point lead before Woodberry made a last-ditch effort. Tyler Harris, playing his best game to date, scored 20 points to lead all scorers.

SAINTS SHOCK CADETS 71-63

The Saints made a superb team effort and stunned previously unbeaten (9-0) Benedictine 71-63. The Saints battled back from a 9 point deficit in the second half to upset the Cadets. Coach Boney rotated Joe Blackburn and Tommy Meade at center. They combined for 20 points and 14 rebounds between them. Frank Freuler led the Saint attack with 17 points and hauled in 10 rebounds. Tyler Harris added 15 points and 7 rebounds.

SAINTS BEAT RMA AGAIN 75-59

Joe Blackburn pumped in 19 points to lead the Red and Gray to an easy victory over Randolph-Macon Academy at Front Royal. Coach Boney substituted freely throughout the game as the Saints outscored the Jackets in every quarter. Harris and Freuler picked up 17 points and 15 points respectively to add to the balanced scoring attack. With this victory the Saint team boosted their record to 5-4.

SAINTS TURN BACK FISHBURNE 66-59

At Waynesboro 26 points by Frank Freuler and 16 by Tyler Harris sparked the Saints to their fourth straight win. To secure the victory, the Saints had to hold off a "never-say-die" rally by Fishburne in the fourth quarter.

SAINTS ROUTED BY ST. STEPHEN'S 76-56

Experiencing their coldest shooting of the year, the Saints dropped a 76-56 decision to St. Stephen's at Alexandria. The Saints could not buy a basket and fell 29 points behind at half-time. Joe Blackburn was high man with 12 points as the Saints perked up somewhat in the final quarter scoring 27 points.

SAINTS STOP BISHOP RALLY TO WIN 68-62

The Saints jumped to a 15 point halftime lead behind the magnificent shooting of Frank Freuler, and then held off a fourth quarter VES rally to win 68-62 in a Prep League contest played on the Saints' floor. Freuler finished with a game high of 32 points, his highest total of the year, and grabbed 19 rebounds to pace the Saints. Joe Blackburn had 9 points to add to the attack. Four Bishops scored in double figures led by Bobby Heald with 18 points.

SAINTS ROLL PAST EPISCOPAL 62-51

The Saints outscored Episcopal by 12 points in the third quarter and coasted to a 62-51 Prep League victory at Scott Gymnasium. Harris led the Saints with 17 points, while Blackburn and Freuler added 12 points and 11 points respectively. Freuler also had his usual superb board game, hauling in a game high of 17 rebounds.

SAINTS BEAT COLLEGIATE IN OVERTIME 50-49

Frank Freuler scored 8 of the Saints' last 12 points, then sunk a clutch free throw after a technical foul had been called on the Cougars, as the Saints nipped their arch-rivals 50-49 before a packed house at Scott Gymnasium. The technical was called in the overtime period when, in the opinion of the officials, Collegiate did not play aggressively enough on defense against the freezing tactics of the Saints. Freuler led all scorers and rebounders with 20 points and 18 rebounds. Lucky Jacobs led the Cougars with 19 points.

SECOND QUARTER SURGE LIFTS SAINTS PAST BULLDOGS 62-56

Tom Brickhouse and Joe Blackburn brought the Saints from behind in the second quarter, to spark a 62-56 win over Norfolk Academy at Norfolk. The Saints started slowly, but outscored Norfolk by 8 points in the second quarter. Four men were in double figures for the Saints: Freuler with 16, Harris and Blackburn with 12 each, and Brickhouse with 10 paced the attack.

Freuler scored 24 points and grabbed 22 rebounds in one of the Saint's best games of the year. Harris played his best game of the year, scoring 21 points and grabbing 13 rebounds. Russ Palmore also had his season high of 10 points.

TIGERS STUN SAINTS 59-44

SAINTS TROUNCE VES 67-44, TIE FOR PREP TITLE

The Saints traveled to Lynchburg and jumped out in front by 10 points in the first quarter. Retaining their lead, they went on to easily defeat the Bishops 67-44. This victory gave the Saints a tie for the Prep League crown. Freuler, Harris, and Brickhouse scored 17, 15, and 13 points respectively. Freuler and Blackburn controlled the boards, grabbing 13 rebounds apiece.

SAINTS PLACE SECOND IN COLLEGIATE INVITATIONAL TOURNAMENT

The Saints beat Norfolk Academy 56-52 Friday night, Woodberry Forest 57-47 Saturday afternoon, and lost to Collegiate 65-62 in the championship game Saturday night to place second in the Collegiate Invitational Tournament held February 26-27 at Collegiate. Frank Freuler led the Saints in all three games with a fantastic display of basketball skill and was named Most Valuable Player of the Tournament. In the opening game with Norfolk Academy, Freuler pumped in 20 points as the Saints came from behind in the final 1:09 of play to nip the hot-shooting Bulldogs. Freuler again led St. C to victory in semi-final play against Woodberry Forest as he scored 25 points and led all rebounders. The Saints went on to defeat the Tigers 57-47. THIRD IN THE INDEPENDENT SCHOOLS WRESTLING TOURNAMENT

WRESTLING SUMMARY

The Varsity Wrestling team had an excellent season this year. Led by Co-Captains Lewis Buford and Pat Branch, the wrestlers won their first eight matches and finished the season with a fine 8-2 record.

The Saints opened at home on December 11 against always-formidable Norfolk Academy. Wins by Jim Whitney, Pat Branch, and Lewis Buford in the lower weights, followed by a pin by Frank Easterly, decisions by Darryl Deane and Mike Krupin, and a pin by Hugh Tompkins enabled the Saints to come from behind and edge the Bulldogs 25-19. In the next match, the Saints traveled to Prince George and romped to a 45-3 victory. The team practiced over Christmas vacation and returned to take on highly-regarded Orange County High School. David Branch won 6-0 to start things rolling for the Saints. Orange was strong in the lower weight classes, and the next Saint to win was Buford. In the 138 lb. class Ward Cates had an exciting match. His match was tied 9-9 when Cates pinned his man. Ed Rucker tied his man, Easterly decisioned Breeden, and Deane pinned his opponent. The match was tied 21-21 when Hugh Tompkins defeated his 250 lb. opponent 2-0 to secure the victory. With this big win under their belts, the Saints went into the match with Thomas Jefferson confident of victory. The Jeffs fell 33-11 in the first wrestling match between the two schools. The team's next opponent was Colonial Heights, and the Saints wrestled to a 26-16 victory. During review week the Saint team took on Douglas Freeman in Scott Gymnasium. Pins by David Branch, Cates, and Easterly and decisions by Pat Branch, Buford, and Tompkins enabled the Red and Gray to defeat the Rebels and win their sixth match of the season. After exams, the Saints downed John Marshall 42-5. Five Saints pinned their men, and five others won by decisions. Lewis Buford and Hugh Tompkins pinned their men to remain undefeated through seven matches. On Saturday, February 6 before a large home crowd the Saints smashed Episcopal High School 28-12 in one of the best matches of the year. The entire team wrestled well in this fine victory. David Branch pinned his man. Jim Whitney, Peter Knowles, Jim

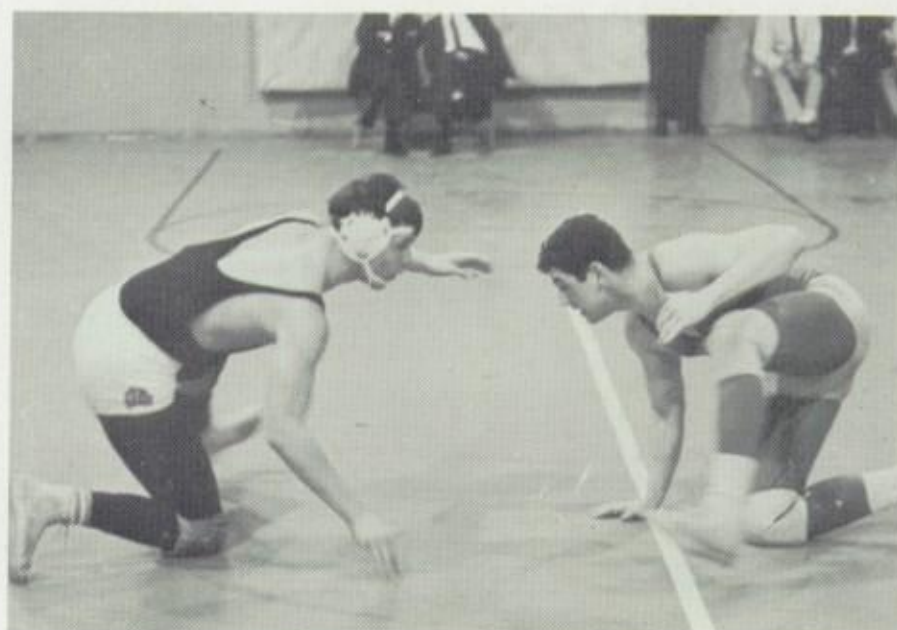

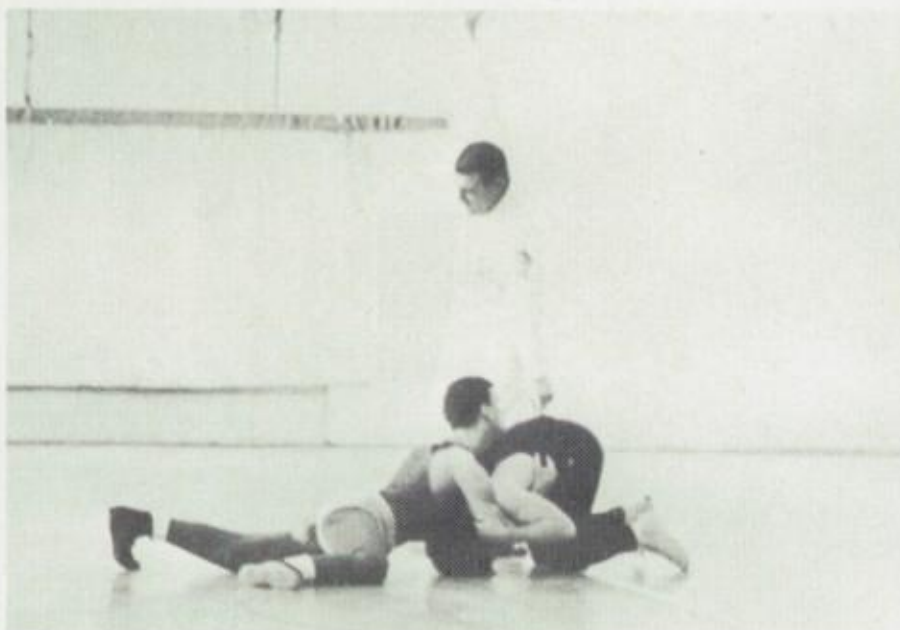

Moseley, Buford, Easterly, and Deane won by decision, and Tompkins won by forfeit to lead the undefeated grapplers to their eighth victory of the year. The Saints' next match was a rematch with Douglas Freeman at Freeman. The Rebels prevailed 25-19 in a hard-fought contest. Every match was exciting but the Rebels seemed to have an edge on the Saints that night. David Branch and Lewis Buford wrestled especially well and pinned their opponents. Easterly decisioned Brown and Deane got revenge on Clark by an 8-7 score. Hugh Tompkins defeated Ailor 12-0 to remain undefeated. After a week of preparation and hard practice, the Saints were ready to take on Woodberry Forest. After a 1-1/2 hour delay due to the lateness of the referee, the match began. Woodberry was powerful, and Peter Knowles was the first Saint to win, decisioning Bucknell 9-0. Buford won by a 12-4 margin over a tough opponent. Easterly was the next Saint to win. Mike Krupin wrestled well and decisioned his opponent. Tompkins lost to Thomas 3-2 in the last match to suffer his only defeat of the season. The Tigers of Woodberry prevailed 26-12 to hand the Saints their second loss of the year.

The Saints participated in the Independent Schools Wrestling Tournament at St. Alban's School in Washington on the weekend of February 26-27. The whole Saint team wrestled well and placed third in a field of twelve schools. Bishop O'Connell School placed first in the tournament. The Saints finished ahead of St. Alban's, Landon, Episcopal, St. Stephen's, Norfolk Academy, John Carroll, Severn, Sidwell Friends, and Georgetown Prep. Frank Easterly and Hugh Tompkins won all their matches and placed first in their weight classes. Lewis Buford placed second in his class, Jim Whitney and Darryl Deane placed third, and Mike Krupin placed fourth in his class.

Several boys compiled outstanding individual records this season. Lewis Buford was 10-0 throughout the regular season. Other outstanding seasons were had by Frank Easterly (9-1), Hugh Tompkins (9-1), and David Branch (8-2). Coach Hardy and his assistant, Don Stevens, deserve much praise for their hard work with the team this year. Six members of this year's team will return next year. These boys, combined with several boys up from the JV squad should give the Saints another strong team next year.

SOCCKER SUMMARY

The Varsity Soccer team prospered this year under the leadership of Co-Captains Bucky Wilson and Chip Vaughan and under the tutelage of Coach Carrington. The booters started the season by soundly defeating Norfolk Academy 3-0. The rugged Saint defense led by Jay Mason and Chip Vaughan was a key factor in the victory. Dudley Patteson, Warren Elmer, and Bob Harrold scored in this first victory. The Saints then defeated Thomas Jefferson on goals by Julien Williams and Charlie Chewning. After the Christmas holidays, the Red and Gray journeyed to Fork Union to hand the military boys a 2-1 defeat on a last minute goal by Charlie Chewning. Goalie Bucky Wilson, Chewning, and Randy Boyd came through with clutch plays throughout the game to lead the Saints. Woodberry Forest handed the Saints their first loss of the season. The Tigers scored on a second period penalty kick. The Saint team hustled all the way and played very well in this game against their rivals from Orange. Recovering quickly from the defeat, the Saints upset Christchurch 2-1, handing the Seahorses their first soccer defeat in two years. Charlie Chewning scored the winning goal on a last minute penalty kick to give the Saints a fine victory. In the next game Fork Union avenged their early defeat by beating the Saints 3-1 in a game played on a muddy field. The Saints were outplayed in this contest and suffered their second defeat of the year. The Saints' next game was with Christchurch. The two teams battled to a scoreless tie in a sea of mud on the Christchurch field. Both teams played well considering the playing conditions. Phil Hughes, Charles Ewing, Jay Mason, Louis Ryan, and Chip Vaughan played especially well in this game.

On February 10th the Saints again defeated Thomas Jefferson, this time by a 2-0 score. Warren Elmer and Charlie Chewning scored to provide the winning margin. Despite muddy conditions, the Saints were able to get 17 shots at the opponent's goal.

In the next game the Saints met Norfolk Academy. A second period goal by Phil Hughes tied the game, but despite two five minute overtimes, neither team could score again and the game ended in a tie.

Brad Davenport scored early in the third quarter at Woodberry and the Saints took a 1-0 lead. Using a two platoon system, Woodberry came back to score three goals and capture the victory. The Saint booters next took on Virginia Episcopal School in a game played at Lynchburg. Although V.E.S. won 1-0 in a hard-fought contest, Bob Englander, Hank Boyd, and goalie Buckie Wilson led a spirited effort and performed well for St. C. One of the highlights of the season came when the Saints outscored Collegiate 2-1 on the St. C. field. Charlie Chewning scored both goals for the Saints. Raoul Pujol scored for Collegiate. The Saint defense led by Mason, Vaughan, and Wilson kept the ball on Collegiate's half of the field throughout the game. The last game of the season was a rematch with Collegiate on the Cougars' field. In a gusty 40 mph wind and in 30 degree temperature, both teams played well. Collegiate scored in the third period on a kick into the corner of the St. C. goal. The Cougars held on to win the game 1-0.

This year's soccer team was perhaps the finest in the sport's three year history at St. Christopher's. The team was very spirited and compiled a commendable 6-5-2 record. The team loses most of its starting eleven to graduation this year. In spite of this, the outlook for next year's squad is good. Jay Mason returns as a fine center halfback. Also returning will be Hank Boyd and Bob Harrold as forwards. These boys, along with Dudley Patteson, Bob Englander, Sid Johnson, Joe Court, and Harrison Smith, combined with several boys up from the JV squad, have a great deal of potential and should do well.

The Varsity Baseball team is looking forward to another good season under Coach Brinkley. The infield is especially strong this year. Captain Frank Easterly will hold down the third base position and Frank Freuler will start at shortstop. Tyler Harris and Russ Palmore will be fighting it out for a starting berth at second base. Mike Krupin joins Bucky Wilson to give the Saints a great deal of depth at first base. The outfield will be swift again this year with Heber Himmelwright, Bobby Englander, and Chip Vaughan providing the speed. Catching may be one of the strongest positions this year. Charlie Blanton and George Eyster give the Saints two fine catchers. Pitching may be the key to the success of this year's team. John Zaharov and Hal Purcell will handle most of the pitching this year and Phil Sherrod will be standing by for relief duty. This year's team has several fine hitters. Freuler, Purcell, Easterly, Vaughan, and Harris were the leading hitters last year and should provide real hitting power. Under Coach Brinkley, the team will be putting their speed to use on the basepaths and stealing bases at every opportunity. If the pitching lives up to expectations and the team gets a few breaks, the Saints should do well this year and maybe repeat as Prep Champions.

DEANE

The Varsity Track team this year will be led by Co-captains Tom Meade and Larry Brydon. Meade will handle the high-jumping duties this year and will also be counted on in the high hurdles. Brydon is the team's best broad jumper and also should do well in the sprints where Mike Tiller joins Jack Perkins and Ross Southward to give the Saints a potent attack in the 100 and 220. Sid Johnson is the team's best 440 man. Leroy Smith, Gene Buckle, and Val Nesbit will be the Saint competitors

in the 880. Smith did very well in cross-country this fall and should improve his time considerably in the 880 this spring. The discus and shot-put events will be handled by Hugh Tompkins, Joe Blackburn, and Darryl Deane. Peter Knowles will be the Saint entry in the pole vault. A two-mile event and a hop-step-and jump will be added to some of the dual meets this year. St. Christopher's will again put on the St. Christopher's Invitational Relays early in April. Fifteen to twenty area schools are expected to participate in this annual event.
